

# Household Hazardous Waste Collection

Pharmaceuticals & Medical Waste Will Be Accepted

April 24, 2010 \* 7am - 2pm

*Bring in your old paint, antifreeze, oil, gasoline, pesticides, cleaning solvents, computers, medical waste, pharmaceuticals, household batteries, automobile batteries, fluorescent light bulbs, and more for proper disposal.*

*Items that will NOT be accepted: household garbage, 55-gallon drums, ammunition, explosives, tires, televisions and large copiers and printers, or radioactive waste.*

University Services Building, College Station, TX

Take Harvey Rd. East towards Huntsville  
Entrance on the left after Veteran's Park

*Household Hazardous Waste*

*Hotline: (979) 764-3809*

*BVSWMA Program Coordinator:*

*(979) 764-3806*

*[www.cstx.gov/bvswma](http://www.cstx.gov/bvswma)*

**DO NOT FLUSH YOUR MEDICATIONS**  
*Medicines that are flushed or poured down the drain can come back and harm us in the form of drinking water. Be environmentally friendly and dispose of your hazardous waste properly.*

*If paint is all you have, you can save time by drying out your can with kitty litter or some other type of absorbent. Once it turns into a solid this can be put out with your regular garbage. Remember it has to be a SOLID.*

*Event will be held rain or shine*
